CHARAN KUMAR D

Buddapppa Nagar, Anantapur

SUMMARY

I am a passionate Data Science B.Tech student interested in transforming data into actionable insights. With a strong academic foundation in statistics, machine learning, and programming, I have developed a keen interest in data analysis, visualization, and predictive modeling.

EDUCATION

Srinivasa Ramanujan Institute of Technology

B.Tech in Computer Science Engineering Data Science [2021 – 2025] CGPA: 7.7

Narayana Junior College

Intermediate [MPC] 2019-2021 **Marks:** 933

Prince of Peace School

Secondary Education [2018-19] **GPA**: 9.7

SKILLS

• Programming:

C, Python 3, Java 8, R, SQL, HTML, CSS, JS

• Data Visualization:

Power BI, NumPy

• Tools:

GitHub, Jupyter Notebook, Anaconda

CERTIFICATIONS

- Completed Programming Esstentials in Python from Cisco Networking.
- Obtained Power BI for Beginners certificate from Simplilearn
- Achieved Web Development for Beginners certificate from Simplilearn
- Completed Foundation of Cyber Security from Coursera platform

PROFESSIONAL EXPERIENCE

Intern at Prasunet Company [June 2024 - July 2024]

Weather Website using API:

Developed a dynamic and responsive weather website that provides real-time weather updates using an API.

- Home: Welcomes users with a clean, intuitive design and provides current weather conditions.
- Features: Offers detailed weather forecasts, including temperature, humidity, wind speed, and more.
- API Integration: Utilizes an API to fetch real-time weather data from various locations worldwide.
- Real-Time Data Integration: Utilizes an API to fetch and display real-time weather data, offering users accurate and up-to-date weather information.
- Technologies Used: HTML, CSS, JavaScript, API integration for real-time data.

Intern at Bharat Intern [May 2024 - June 2024]

Personal Portfolio Website:

Developed a professional and responsive personal portfolio website to showcase my skills, projects, and experiences.

- **Home**: Introduces visitors to my portfolio with a clean and engaging design.
- About: Provides an overview of my background, skills, and professional journey.
- Skills: Highlights my technical and professional skills in web development and other areas.
- Projects: Displays my projects with detailed descriptions and visuals.
- **Contact**: Includes a contact form and links to my social media profiles for easy communication.
- Technologies Used: HTML, CSS, JavaScript, FontAwesome for icons.

ACHIEVEMENTS

- Obtained 1st prize in Paper Presentation at Anantha Lakshmi Engineering College during ELECTRO-FAD 2K24.
- Achieved 1st prize in Technical Quiz and Paper Presentation at Ashoka Women's Engineering College at 14th National Level Technical Symposium.
